Evaluations

Team Score

A team evaluation is possible in all runs (except for Bambini).

Hexad Wolfsburg MARATHON

A team always consists of 3 members of one gender.

The team evaluation is done by adding up the time. In addition to the team rating, the individual team members are also taken into account in the individual rating. For each registered community, the three best of the 1st team, the next three fastest of the 2nd team, etc. will be rated.

Teams must be registered (see special announcement; please also pay close attention to the spelling when registering!).

Volkswagen-Cup:

For the Hexad marathon, AudiBKK half marathon, the 10km and H5km classification, Volkswagen AG employees offered a Volkswagen Cup. The Volkswagen Cup is advertised as an individual competition (not a departmental competition). Only employees of the Volkswagen brand are authorized to register. The master number must be given when registering.

CLASSES

All races will be classified according to age group. Not every age group is represented in every run, see Conditions of participation below.

The age groups are based on the reorganization of the German Athletics Association as of January 1st, 2013.

TIME MEASUREMENT

Your time will be calculated by the Mika-Tag-System from Mika Timing. This system benefits all circuits excluding the Bambini run. The timing chip is integrated into the bib number.

If you have your own chip, please tell us your 7-digit chip number at anmeldung@wob-marathon.de together with your customer number unless you already inserted the number into your online registration.

PARTICIPATION RESTRICTIONS / TIME LIMITS

D The number of participants is limited for all disciplines. We reserve the right to register when the number of participants is reached to close for individual or all runs. If it is foreseeable that the limits will be reached, we will contact you at www.wob-marathon.de inform about. As a rule, the starting places are allocated according to the time of registration or transfer.

The field of participants in the United Kids Foundations run is limited to a maximum of 800 starters. The start will be in 4 waves of 200 children each carried out. The organizer assigns the start groups. In addition, there is a 5th wave exclusively for Wheelchair users.

The time limit for the marathon discipline is six hours, with the first lap having to be completed after three hours. The time limit for the half marathon is four hours. If the respective limits are not adhered to, the organizer will disqualify them. This can also be done directly on the track if there is no real chance of crossing the finish line within the limit.

A minibus will drive behind the marathon field in the second half, which in an emergency will pick up those runners who unfortunately had to give up or have slipped out of the time limit.

INSURANCE / LIABILITY

Participation is at your own risk. Liability of any kind is not assumed by either the organizer, the host or the city Wolfsburg taken over. This also applies to accidents, lost clothing or other items.

Hexad Wolfsburg MARATHON

We strongly recommend a medical health check before participating in the Hexad Wolfsburg Marathon 2023.
